# JACKSON LODGE NO. 1, F. & A. M.

## AUGUST 2011

Brethren,

There has continued to be a lot of activity in the last month at the Lodge. We still show signs of continued growth. We have put on many degrees and have an Entered Apprentice Degree on Monday, August 29, 2011, at 7:30 PM. Please come to lodge and support these new candidates in the beginning of their journey into Freemasonry.

The Grand Master will be visiting our District this Friday evening at Jackson Lodge #1. There is no cost to Jackson Lodge members and their guests. Registration for the event will start at 5:30 PM. If you intend to eat dinner, please come early. The meeting will follow the presentations to the Grand Master and his wife.

Jackson Lodge members have continued to assist in various charities this year. It has been called upon to assist brothers of this Lodge as well. The charity box that is usually placed upon the altar following our meeting needs replenishing. Please give as freely as you can to assure the Lodge can continue to assist others when called upon. We have also been called upon to assist a young man in his Eagle Scout project. Thank you to all the brothers that opened their wallets and gave as they could. This

fine young man walked out with \$200.00. He thanked the brothers for supporting him. He now reports he finished the project and it is on display to the community and those that will use it in the future.

We continue to lose many fine Freemasons as they pass to their final resting place. Brothers, there continues to be a need for some of us to be present for their funerals and memorials. It is understood that many of you cannot make it at times due to other obligations. Many can be there and don't make the effort to go. Please search your heart and recall your obligation to support the deceased brother and his loved ones at least by going to the funeral or memorial. If you do not get the notice of a funeral then email or contact the Lodge to let us know how to contact you and let you know about these important events.

If you have not paid dues for 2011, please do so soon. The Lodge needs the dues money to continue paying the bills. Also, there will be a special dinner to recognize those brothers receiving their 50 year certificates on October 17, 2011.
